By signing and dating below, I, _____, agree to be a part of the Somebody's Basement Sketch Comedy Troupe for the term ending 15 August 2011.

I am committed to:

- presenting material that is both funny and fun to perform
- creating work that needs minimal sets, costumes, and props
- schlepping said sets and props for others' scenes as needed
- participating in the creative process of developing the best overall finished product possible
- keeping my ego out of the selection process regarding material and scene partners
- creating a supportive team environment
- attending all scheduled meetings, rehearsals, and shoot dates
- maintaining a professional environment by being on time to all meetings and willing to focus on the tasks at hand when meetings are called to order
- working with scene partners on scenes outside of formal rehearsals
- communicating all issues of schedule conflicts far in advance of having them become problematic
- assisting in the promotion of the finished product
- providing electronic materials required for online promotion

During the six-month commitment period, I will attend at least one tape day in which my services as an actor are not needed, to help out as a stage hand, runner, PA, tech, or super-hard-laughing audience member.
